Thanks Doug.

I'll work on a briefing to provide you all with a clear understanding of the Region 8 information in the EDGI report as well as our current strategy for enforcement, compliance assurance and inspection planning and targeting. My goal is to provide some read-ahead materials for you by next Thursday and schedule the briefing the following week.

Suzanne

Suzanne, sometime in February I want to sit down and better understand the background in this report from an R8 perspective.

**Deliberative Process / Ex. 5**

# Deliberative Process / Ex. 5

Let's get some time to talk, this issue is going to arise again and I want to better understand our enforcement and inspection process and outcomes so we can intelligently discuss this report and others that may come out.

Thanks,

Doug
